## State Senator Ed Meyer Seeking Your Input

Dear Neighbor:

For the last few years, we have faced extremely challenging economic times as a nation and as a state. Connecticut's families have had to tighten their belts as we worry about job security and making ends meet.

The next couple of years will not be any easier, as the state faces an approximately \$3.3 billion deficit for Fiscal Year 2011-2012. Shared sacrifices will be necessary to weather this economic storm. As your State Senator, I am working diligently to ensure that our budget is balanced in a responsible manner and that we are well-positioned for a successful economic recovery.

As always, it is extremely important that I hear from my constituents. I want to know what issues are most important to you, and I welcome any specific ideas you may have for ways to reduce the budget deficit, increase efficiency in our state and promote new jobs. Please detach the card to the right and return it to my office so that we can continue to keep a dialogue going.

Sincerely,

  
State Senator Ed Meyer
